Sir:

**TERMINAL DISCLAIMER TO OBVIATE AN OBVIOUSNESS TYPE
DOUBLE PATENTING REJECTION (37 CFR 1.321(c))**

This disclaimer is submitted on behalf of the Assignee of the present application, who owns the entire interest in the pending application and any patents granted thereon.

Any and all documents in the chain of title of the patent application identified above have been reviewed and, to the best of my knowledge and belief, title is in the assignee identified above.

Undersigned is an attorney of record.

Disclaimer

Disclaimant, Andrew Corporation, hereby disclaims, except as provided below, the terminal portion of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent which may issue or be granted from pending United States Patent Application, Serial No. 10/386,057, filed on March 11, 2003, as presently shortened by any terminal disclaimer filed prior to the grant of such patent. U.S. Patent Application Serial No. 10/386,057 is solely owned by Disclaimant, pursuant to an Assignment recorded in the U.S. Patent and Trademark Office at Reel 13716, Frame 173-176. Disclaimant, Andrew Corporation, hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be commonly owned with the legal title to any patent granted on United States Patent Application Serial No. 10/386,057. This agreement runs with any patent granted on the above-identified application and is binding upon the grantor, its successors or assigns.

Disclaimant, Andrew Corporation, does not, by this disclaimer, disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on U.S. Patent Application Serial No. 10/386,057, as presently shortened by any terminal disclaimer filed prior to the grant of U.S. Patent Application Serial No. 10/386,057 in the event that later such patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated in whole or in part, prior to expiration of its full statutory term, as

presently shortened by any terminal disclaimer, except for through separation of legal title as stated above.

Fee Status and Payment

Disclaimant is a large entity. Disclaimant is submitting \$130.00 for this disclaimer. If there are any further charges or credits, please apply them to Deposit Account Number 23-3000.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Kurt A. Summe". The signature is fluid and cursive, with the first name "Kurt" and last name "Summe" clearly distinguishable.
